Product highlights

Black Hibri picture tube
Black HiBri is a TV tube technology used on Philips small-screen TVs, giving good color reproduction on smaller sets.

Crystal Clear
Combining picture enhancements like Contrast plus and color improvement, Crystal Clear improves picture depth.

Smart picture
Smart Picture button on the remote control enables one-touch selection of various preset optimized image settings to suit different TV program. Do refer to the DFU for the various Smart Picture modes.

Sharpness Adjustment

Quality Mono sound
Crisp and clear mono sound

Plug & Play
Plug & Play gives you the ability to install or add a new component and have it work without having to perform any complex installation procedure or technical analysis.

Teletext
The Teletext is a communication system transmitted by most broadcasters in Europe, which contains a rich variety of information. This information can only be viewed by a set equipped with a Teletext decoder.

Sound system	Transmission system
